ZACHRY-ODEBRECHT PARKWAY BUILDERS NEARS FINAL CONFIGURATION FOR SH-99 AND US 59/I-69

Complete closures scheduled for US 59/I-69 northbound and southbound mainlanes over the weekend

Zachry-Odebrecht is in the final stages of completing Grand Parkway Segment G, including the future SH-99 US 59/I-69 interchange. Work crews will be placing permanent striping on both northbound and southbound mainlanes.

In order to safely perform the work, Zachry-Odebrecht will implement a complete closure of US 59 northbound mainlanes from FM 1314 to SH-99 and US 59 southbound mainlanes from FM 1485 to SH-99 beginning 8 pm Friday, February 12 through 6 am Monday, February 15. The FM 1485 entrance ramp will be closed during this time. Motorists will be detoured onto the frontage roads.

Law enforcement will be onsite to help ensure the safety of motorists and help maintain traffic. To view all lane closures for the Grand Parkway Segments F-G, visit the Getting Around section of www.grandparkway99.com and follow us on Twitter@sh99fg.

Scheduled lane closures are subject to change.

About Zachry-Odebrecht

Zachry-Odebrecht Parkway Builders is a fully integrated design-build joint venture that assembled a team with deep engineering and construction resources, significant local knowledge and experience, and complex transportation project experience to build the Grand Parkway, Segments F-1, F-2, and G.

About Zachry

Zachry Construction Corporation is a privately-owned, leading construction company headquartered in San Antonio, Texas. Rooted in 90 years of experience, and in its third generation of family leadership, Zachry specializes in the construction of large, technically unique projects around the world – from highways and bridges, to concert halls and hospitals, convention centers to hotels.

At Zachry, our success is based on extraordinary people and exceptional partners. We remain committed to building lasting relationships with all that we touch – projects, people and the communities in which we live and work.

With offices in Texas, California, Colorado, and North Carolina, Zachry has more than 1,200 employees nationwide and has completed more than 5,500 public- and private-sector projects for a variety of clients.

THIS IS ZACHRY'S COMMITMENT TO ***EXTRAORDINARY***.

About Odebrecht USA

Since opening its US office in 1990, Odebrecht USA has successfully delivered vital infrastructure projects for federal, state and local governments, as well as private clients throughout the United States. Some iconic projects include the Seven Oaks Dam in California, the Grand Parkway in Houston, and Miami International Airport's North and South Terminals.

Odebrecht USA is part of the Odebrecht Organization, a diversified business leader that operates in more than 21 countries and employs more than 160,000 people worldwide. The construction division of the Organization is ranked by ENR as the 13th largest international contractor in the world (2015).
